

SOTRAS

FIREPROOF DECLARATION

SOTRAS S.r.l., sited at Via Donatello,13 – Borgaro Torinese (TO), based on information contained on safety data sheet of all components used to manufacture its Air-Oil Separators

STATES

under its own responsibility, that all its Air-Oil Separators family codes:

DA - DB - DC - DD - DE - DF

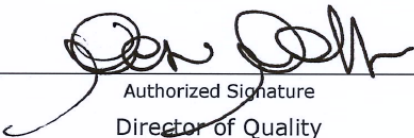

are

FIRE RESISTANTS

This due to physics and chemistry features of used materials.

SOTRAS furthermore certify its full controls as warranty of electrical continuity of metallic parts of body filters to prevent to act as fire during use.

However the filters are designed and manufactured in accordance with the national sound engineering practice and the correct quality control procedures according to our Quality Management System, Certificate UNI EN ISO 9001:2008, in order to ensure compliance to International Standards and safe use.
